

WHS Band Concession Job Information from our WHS Band Boosters

(Any questions regarding these positions should be directed to our Band Booster Officers)

Concessions for JV and Varsity Football and Soccer is run by the band boosters. It is incredibly important for raising funds for instruments, guard equipment, music, repairs, competition and festival fees, student awards, water and snacks, etc. All families are expected to help in the concession stand, but the positions below are required for us to maintain the stand properly.

In the past, the three "jobs" listed below were held and completed by one person. Moving ahead, those filling these 3 positions would work cooperatively with the Treasurer and Secretary to ensure smooth running of the concession stand.

- Must hold a Sam's Club Membership (Note: if a person has the "cash back" membership, the purchases made will cover the membership cost.)
- May be required to run to Johnnie's or Walmart "in a pinch"
- For Fall 2024, Tiffany Cuttill, current co-Concessions Manager, will help to coordinate the inventory and provide guidance for this role.
